Education for Tomorrow Alliance (EfTA)

“It is an honor to be recognized with this award. I have enjoyed offering students in EfTA's Next Generation Leadership (NGL) Program and Student Internship Program (SIP) new ways to engage with community professionals while learning new skills that will help them in current and future leadership roles. The peacebuilding skills that participants in these programs and in the Leadership Montgomery County Alumni Association learned through EfTA in 2021 will help them in their families, communities, and careers.

I grew up in Montgomery County and I can think of so many people that played a role in helping me become the person that I am today. I hope that I can provide a similar experience for one of the students that come through our EfTA programs. Thank you again for this award! I look forward to continuing to build up and support students in our community.” **Corinne Coulter**
